Chair

William P. Brough
Vice Chair

Effective August 12, 2020

Heath Flora
Vice Chair

ASSEMBLY COMMITTEE ON BUSINESS AND PROFESSIONS
HONORABLE EVAN LOW, CHAIR
HONORABLE WILLIAM P. BROUGH, VICE CHAIR
EFFECTIVE AUGUST 12, 2020
HONORABLE HEATH FLORA, VICE CHAIR

The jurisdiction of the Assembly Committee on Business and Professions includes: 1) the regulation of healing arts and non-healing arts professions; 2) licensing and enforcement issues for all boards and bureaus within the Department of Consumer Affairs (DCA); 3) creation and elimination of boards, bureaus, and commissions under the DCA (i.e., sunrise and sunset review); 4) occupational licensing; 5) vocational education; 6) certain aspects of the Department of General Services; 7) charitable solicitations; 8) veterinarians and licensing issues; and 9) product labeling (except agricultural and medical product labeling).

Over the course of the 2019-2020 session of the California State Legislature, the Committee held a total of 27 hearings, including ten joint Sunset Review hearings with the Senate Committee on Business, Professions and Economic Development. A total of 389 bills were referred to the Committee during the 2019-2020 Session. During the 2020 legislative year, the impact of COVID-19 necessitated the California Legislature to comply with State and Health Department guidelines. In doing so, the number of bills heard by committees was reduced in order to minimize the risk of exposure to elected officials, staff and the public. The Committee continued and will continue to serve the people of California.

Numerous businesses and professions throughout California are regulated under the Business and Professions Code, the Government Code, Civil Code, and the Health and Safety Code and fall within the Committee's jurisdiction, including:

- | | | |
|---|---|--|
| 1) Accountants, tax preparers, and notaries | 18) Junk dealers and recyclers, pawnbrokers, reposseors, and auctioneers | 31) Physicians and surgeons and Osteopathic physicians and surgeons |

[AB-1953 \(Bloom\) - Veterinary medicine: blood banks for animals.](#)

This bill would establish new procedures governing community blood banks for animals and would impose new requirements on veterinarians engaged in the production of animal blood and blood component products. When certain conditions are met, this bill would require the Department of Food and Agriculture to discontinue its licensing program for commercial blood banks for animals that produce canine blood and blood component products sourced from captive closed-colony dogs. This bill would also permit a person to offer a blood or blood component product imported into California from an out-of-state community blood bank if California standards are met.

Asm Appropriations - (17 - 0)	Sen Appropriations - (7 - 0)
Asm Business and Professions - (19 - 0)	Sen Business, Professions and Economic Development - (9 - 0)

Governor's Veto Message:

Governor's veto message: To the Members of the California State Assembly:

I am returning Assembly Bill 545 without my signature.

AB 545 would sunset the Bureau of Cannabis Control and subject the Bureau to review by the Joint Sunset Review Committee.

The Medicinal and Adult-Use Cannabis Regulation and Safety Act (MAUCRSA) divides regulatory authority over commercial cannabis activity among the Bureau of Cannabis Control, the Department of Food and Agriculture and the State Department of Public Health. My Administration has proposed consolidating the regulatory authority currently divided between three state entities into one single department, which we hope to achieve next year in partnership with the Legislature.

Therefore, this bill is premature, and I am returning it without my signature.

Sincerely,

Gavin Newsom

[AB-858 \(Levine\) - Cannabis: cultivation.](#)

Governor's Veto Message:

Governor's veto message: To the Members of the California State Assembly:

I am returning Assembly Bill 1470 without my signature.

AB 1470 would provide that cannabis goods do not have to be in final retail packaging when being tested by laboratories to ensure compliance with current health and safety standards.

This bill conflicts with current regulations promulgated by cannabis licensing authorities that prevent contaminated and unsafe products from entering the retail market. While I support reducing packaging waste, allowing products to be tested not in their final retail form could result in consumer harm and have a disproportionate impact on small operators.

I have directed my Administration to consolidate the state regulatory entities that currently enforce cannabis health and safety standards to pursue all appropriate measures to ease costs and reduce unnecessary packaging. This proposal should be considered as part of that process.

Sincerely,

Gavin Newsom

AB-1525 (Jones-Sawyer) - Cannabis: financial institutions.

Clarifies that no state law prohibits a financial institution from providing financial services to a licensed cannabis business. Requires a cannabis business to allow regulators to share the business' track-and-trace data with financial institutions.

[SB-679 \(Bates\) - Healing arts: therapists and counselors: licensing.](#)

Restructures the code sections outlining requirements for persons applying to be licensed marriage and family therapists (LMFTs), licensed clinical social workers (LCSWs), and licensed professional clinical counselors (LPCCs) who have out-of-state education or experience. Additionally, it creates a new pathway for licensure for

individuals applying to be LMFTs, LCSWs, or LPCCs who have held active and unrestricted out-of-state licenses in their respective practices for at least two years.

AB-2430 (Nazarian) - Professional fiduciaries: prelicensing and renewal or restoration: education.

Beginning January 1, 2022, would require the prelicensing education courses to include at least one hour of instruction in LGBT cultural competency, as defined by the bill. The bill, beginning January 1, 2022, would also require a licensee to complete at least one hour of instruction in LGBT cultural competency every 3 years as a condition of license renewal or restoration.

Status: Assembly-In Committee Process - Business and Professions

Legislative History:

Governor's Veto Message:

None

AB-2454 (Low) - Bureau of Automotive Repair: administration: trusted dealer certification.

Would require the Director of Consumer Affairs to appoint at least one administrative law judge for each regional office of the bureau to conduct proceedings under the act, and to appoint a chief administrative law judge to organize, coordinate, supervise, and direct the operations of the administrative law judges. The bill would require the director to employ legal counsel, legal assistants, and other personnel that may be necessary for the administration and enforcement of the act. Would require the director to take one of specified actions within 10 days of receiving a proposed decision from an administrative law judge in a contested case.

Would also require the bureau, by July 1, 2022, to establish by regulation a trusted

dealer certification program for automotive repair dealers, as specified. The bill would require the bureau to issue a trusted dealer certification to an automotive repair dealer who meets specified requirements, including payment of an annual fee and agreeing to be subject to up to 2 investigations by the bureau's enforcement program each year. Commencing July 1, 2022, prohibit an automotive repair dealer from using the term "trusted dealer" unless the automobile repair dealer holds a valid trusted dealer certification issued by the bureau. Because a violation of these provisions by a automotive repair dealer would be a crime, the bill would impose a state-mandated local program.

Asm Appropriations - (18 - 0)	Senate Floor - (37 - 0)
Asm Business and Professions - (19 - 0)	Sen Business, Professions and Economic Development - (9 - 0)

Governor's Veto Message:

Governor's veto message: To the Members of the California State Senate:

I am returning Senate Bill 64 without my signature.

SB 64 requires a public animal control agency or shelter to microchip a dog or cat with current information before releasing it to a person who is seeking to reclaim it, or before providing the pet to a new family.

I am supportive of the important objective of this legislation to reunite more pets with their families and thereby decrease the number of euthanized animals in California. However, by requiring microchipping as a condition of reclaiming a pet, this bill has the unintended consequence of creating a burden for those who may already be struggling with the basic costs of caring for their pets and thereby do not have the financial capacity to pay for the microchip implant and the annual fees.

Sincerely,

Gavin Newsom

[SB-245 \(Chang\) - Public animal shelters: adoptions: veterans.](#)

Prohibits a public animal shelter from charging an adoption fee for a dog or cat if the person adopting the animal presents a current and valid driver's license or identification card with the word "VETERAN" printed on its face.
