

# Regulatory text modifications

The Department of Cannabis Control (DCC) adopted emergency regulations on September 27, 2021, to consolidate, clarify, and make consistent cannabis regulations pursuant to Business and Professions Code section 26013, subsection (b)(1).

This chart provides an overview of key regulatory provisions included in the rulemaking, which include changes that are in effect as emergency regulations and additional changes to streamline and strengthen the cannabis regulatory framework. To learn more about these proposals and the rulemaking process, visit [cannabis.ca.gov/resources/rulemaking](https://cannabis.ca.gov/resources/rulemaking).

Section Topic	Emergency Rulemaking	Certificate of Compliance Rulemaking
<p><b>Definitions</b> <b>§15000</b></p>	<p>Contains definitions applicable to all license types. Includes definitions created by DCC and repeats important definitions from the Act.</p>	<p>Amends definition of immature plant to include tissue containers.</p> <p>Amends definition of manufacture to clarify that post-extraction processing means a process by which one or more active cannabinoids in cannabis concentrate are further concentrated either by chemical or physical means.</p> <p>Amends definition of tincture to clarify vegetable includes botanically classified fruits and vegetables and their seeds.</p>
<p><b>General Requirements</b> <b>§15000.1</b></p>	<p>Requires persons conducting commercial cannabis activity to obtain and maintain a valid license for each separate premises where commercial cannabis activity is conducted.</p> <p>Requires commercial cannabis activity to be conducted between</p>	

	<p>licensees but allows retail licensees to conduct sales to customers and nonprofits.</p> <p>States that a licensee shall only conduct commercial cannabis activities authorized by their license on the premises licensed for that activity.</p> <p>Requires all transfers of cannabis and cannabis products shall be conducted by a licensed distributor.</p> <p>States that licenses shall not be transferrable or assignable to another person or premises.</p> <p>Requires applicants and licensees to use their legal business name on all documents related to commercial cannabis activity.</p>	
<p><b>A- and M- Designations §15000.2</b></p>	<p>Contains the requirements specific to adult-use and medicinal cannabis licenses.</p> <p>States that licensees may conduct business with other licensees irrespective of the Adult-Use or Medicinal designation on their licenses.</p> <p>Provides that licensed distributors or microbusinesses engaging in distribution activities may only transport medicinal cannabis goods to a retail licensee with a medicinal designation on their license.</p> <p>Provides that a retail licensee may only sell medicinal cannabis goods to medicinal customers.</p>	

<p><b>Premises Location §15000.3</b></p>	<p>A licensed premises shall not be in a location that requires persons to pass through a business that sells alcohol or tobacco or a private residence to access the licensed premises.</p> <p>A licensed premises shall not be in a location that requires persons to pass through the licensed premises to access a private residence or business that sells alcohol or tobacco.</p> <p>A licensed premises shall not be located within a private residence with the exception of cultivation licensees.</p> <p>Requires licensees to provide the DCC with immediate access to their licensed premises and that denial of access is subject to discipline.</p> <p>Provides that nothing in this section shall be interpreted to prohibit two or more licensed premises from occupying separate portions of the same parcel of land or sharing common use areas (e.g., bathroom, breakroom, hallway, building entrance).</p> <p>Requires that all structures included as part of the licensed premises be permanently affixed to the land and provides examples of structures that are not considered to be permanent structures. This provision is not applicable to cultivation licensees.</p>	<p>Amended to prohibit the inclusion of the living areas of a private residence on the premises.</p> <p>Creates carve-out allowing for living areas of private residence to be included on diagram as part of premises if required by local jurisdiction. Specifies that commercial cannabis activity cannot occur in the living areas.</p> <p>Removes shipping containers and modular buildings that are not affixed to the land from structures that are not considered permanent. Extends to cultivators requirement that structures be affixed to the land by a method that would cause the structure to remain affixed for an indefinite period of time.</p> <p>Adds prohibition on personal cultivation occurring on the licensed premises.</p> <p>Provides six-month grace period for licensees to come into compliance.</p>
<p><b>Subletting of Premises §15000.4</b></p>	<p>Prohibits subletting except for manufacturing licensees operating as a licensed shared-use facility in accordance with requirements for</p>	

	shared-use facilities in Article 2, Chapter 8.	
<b>Licensee's Responsibility for Acts of Employees and Agents §15000.5</b>	Provides that a licensee is responsible for the acts, omissions, or failures of persons acting on behalf of the licensee and within the scope of their employment.	
<b>Age Restriction §15000.6</b>	Provides that employees or persons retained by a licensee to work within or on a licensed premises, or handle cannabis or cannabis products, shall be at least 21 years of age.	
<b>Storage of Inventory §15000.7</b>	<p>Requires all cannabis inventory stored on a licensed premises to be secured in a limited-access area.</p> <p>Prohibits a licensee from storing cannabis goods outdoors. This only applies to cannabis goods which is defined as cannabis and cannabis products in final form.</p> <p>Requires employee break rooms, changing facilities, and bathrooms to be separate from all storage areas.</p> <p>Requires all cannabis and cannabis products to be stored on a licensed premises.</p>	<p>Amends to specify break rooms, changing facilities, and bathrooms must be separated from all storage areas by solid walls extending from floor to ceiling.</p> <p>Adds provision to allow use of shipping containers as temporary storage space on a licensed premises.</p>
<b>Appellations of Origin §15000.8-15000.10</b>		<p>Adds requirements for using appellations of origin.</p> <p>Requires licensee to submit a Notice of Use within 30 days of use of the appellation.</p> <p>Adds requirements for labeling, advertising, and marketing cannabis and cannabis products with an appellation of origin.</p>

<p><b>Provisional Licenses §15001</b></p>	<p>Provides that a provisional licensee shall follow the rules and regulations applicable to a licensee holding an annual license of the same type.</p> <p>Provides that a provisional license does not create a vested right in the holder to renewal of the provisional license or issuance of an annual license.</p> <p>Enables DCC to cancel a provisional license in certain circumstances, including issuance of an annual license, denial of an annual license, abandonment of an application for licensure, withdrawal of an application for licensure, or surrender of the provisional license.</p> <p>Informs provisional licensees that they may only continue to maintain a provisional license if they are actively and diligently pursuing requirements for an annual license. This includes paying the license fee within 60 days. Plus providing all requested information to DCC or a statement why it cannot be provided due to circumstances beyond their control by response date or within 30 days if no response date is provided.</p> <p>Informs prospective licensees that when DCC decides not to issue a provisional license to the applicant, they are not entitled to a hearing or an appeal of the decision.</p> <p>Informs applicants that no provisional license issued by DCC shall be effective after January 1, 2026.</p>	
---	---	--

<p><b>Issuance of Provisional License §15001.1</b></p>	<p>Outlines the general timelines for issuance of non-cultivation provisional licensees; cultivation provisional licensees; and equity licensees.</p>	
<p><b>Renewal of Provisional License §15001.2</b></p>	<p>Requires provisional licensees to comply with the renewal procedures in section 15020 and the requirements of section 15001.2.</p> <p>Outlines additional information required for provisional license renewals based on when the provisional license is renewed.</p> <p>Specifies certain circumstances when DCC will not renew a provisional license authorizing cultivation.</p>	
<p><b>Notice of Provisional License Review § 15001.3</b></p>	<p>Requires DCC to notify the provisional licensee that it is considering revoking, suspending, or denying renewal of the provisional license. Provides them an opportunity to provide information related to the proposed action for consideration by the DCC.</p> <p>Provides that DCC issue a Notice of Provisional License Review to the licensee for failure to comply with MAUCRSA or its implementing regulations.</p> <p>Provides that the Notice of Provisional License review shall be in writing and describe the nature and facts of each violation, including a reference to the statute or regulation violated; the manner in which the provisional licensee must correct the violation(s) to achieve compliance; that DCC is considering the possibility of suspending, revoking, or denying</p>	

	<p>the provisional licensee’s renewal; and that the provisional licensee may request an informal meeting and provide DCC with information related to the observed violations and potential license action for DCC’s consideration during its provisional license review.</p>	
<p><b>Immediate Suspension of Provisional License §15001.4</b></p>	<p>Allows DCC to take immediate action on provisional licensees to safeguard the public health, safety, and welfare, in relation to a provisional license.</p> <p>Provides that DCC may immediately suspend any provisional license or impose licensing restrictions upon any provisional licensee if permitting the provisional licensee to continue to engage in licensed activity would endanger the public health, safety, or welfare.</p> <p>Provides that the immediate suspension of a provisional license be in writing and what the suspension notice must describe.</p> <p>Provides that following the issuance of an Immediate Suspension under this section, DCC shall serve the provisional licensee with a Notice of Provisional License Review pursuant to section 15001.3.</p>	
<p><b>Annual License Application Requirements §15002</b></p>	<p>Contains the general requirements for an application for a cannabis license.</p> <p>Removes military priority processing.</p> <p>Removes requirements for information about other state cannabis licenses.</p>	<p>Reincorporates requirement to provide a copy of the signature page of the labor peace agreement if the business has entered into one.</p>

	<p>Limits submittal of business-formation documents to documents not available through the Secretary of State, including operating agreements, bylaws, and other documents that establish ownership or control over the business, upon request.</p> <p>Removes the requirement to provide financial information including a list of funds, loans, investments, and gifts.</p> <p>Specifies required disclosures for financial interest holders that are individuals and that are business entities.</p> <p>Updates labor peace agreement requirements to include notarized statement for employer with less than 20 employees.</p> <p>Updates consistent with AB 2138 not requiring disclosure of convictions and making rehabilitation information voluntary.</p> <p>Allows one bond for all licenses with total amount equaling \$5,000 per license, rather than a separate bond for each license.</p>	
<p><b>Temporary Cannabis Event Application</b></p> <p><b>§15002.1</b></p>	<p>Contains general requirements for a temporary cannabis event license application.</p>	<p>Adds requirements for disclosure of all licensees participating in the event and all areas where cannabis and cannabis products will be displayed or sold.</p>

		<p>Removes requirement for employees of retailers to be disclosed.</p> <p>Adds requirements for non-cannabis vendors to be disclosed.</p> <p>Adds requirement for a designated limited-access area.</p>
<p><b>Owners of Commercial Cannabis Businesses §15003</b></p>	<p>Specifies who is considered an owner.</p> <p>Provides examples of individuals who are considered to manage, direct, or control the operations of a commercial cannabis business and would be considered owners who would assume responsibility for the license.</p> <p>Provides that, where a commercial cannabis business is owned in whole or part by an entity, and the entity includes individuals who manage, direct or control the operations of the commercial cannabis business, those individuals must also be disclosed as owners.</p> <p>Provides that upon notification by DCC, an applicant or licensee must disclose additional individuals as owners and submit the required ownership information or, in the alternative, demonstrate that the individual does not qualify as an owner.</p>	
<p><b>Financial Interest in a Commercial Cannabis</b></p>	<p>Clarifies what individuals are considered financial interest holders of a commercial cannabis business, including a person with an aggregate ownership interest of less than 20</p>	<p>Adds a person that has entered into an intellectual property licensing agreement for a share of the profits as an example of individuals who are</p>

<p><b>Business §15004</b></p>	<p>percent; a person providing a loan to the commercial cannabis business; a person that contracts with the cannabis business to cultivate, manufacture, package or label cannabis goods under their brand name; and a person entitled to receive 10 percent or more of the profits of the commercial cannabis business.</p> <p>Clarifies that banks and other financial institutes that provide loans; individuals whose only financial interest is through an interest in a diversified mutual fund, blind trust, or similar instrument; individuals whose only financial interest is a security, lien, or encumbrance; and individuals who hold a share of stock that is less than 10 percent (formerly 5 percent) of the total shares in a publicly traded or privately held company are not required to be identified as a financial interest in the commercial cannabis business.</p>	<p>considered financial interest holders of a commercial cannabis business.</p>
<p><b>Independence of Testing Laboratories §15004.1</b></p>		<p>New section clarifies testing laboratory must be independent from persons that hold a license or an interest in a commercial cannabis business licensed for any activity other than testing.</p> <p>Prohibits laboratory from leasing real or personal property from a licensee for any activity other than testing.</p> <p>Prohibits laboratory from employing any person employed by a licensee for any activity other than testing.</p>

		<p>Prohibits laboratory from employing an owner or financial interest holder of a licensee for any activity other than testing.</p> <p>Prohibits laboratory from offering or agreeing to provide preferential treatment, including discounted testing services, to any other licensee unless the offer or agreement is available to all licensees.</p>
<b>Personnel Prohibited from Holding Licenses §15005</b>	Prohibits state officials and employees, as well as peace officers from ownership, directly or indirectly, in a license.	
<b>Premises Diagram §15006</b>	<p>Requires the boundaries of the property, or parcel of land, and the proposed premises. Note - a premises may occupy only a portion of the property.</p> <p>Some requirements include diagram be to scale, show areas where commercial cannabis activities will occur, show any shared areas and separate entrances if more than one licensee is on the property.</p> <p>Contains additional requirements for cultivators.</p>	<p>Removes requirement for diagram to be in black and white and not contain any highlighting.</p> <p>Removes requirement for the premises to have designated areas for physically segregating cannabis or nonmanufactured products subject to an administrative hold.</p> <p>Adds requirement for inclusion on diagram of a closed-loop extraction system's location and serial number.</p>
<b>Landowner Approval §15007</b>	Requires landowner approval indicting the applicant has the right to occupy the property and acknowledging the property may be used for commercial cannabis activity for which the license is sought.	

	<p>Requires a copy of the lease if there is one.</p> <p>Requires a copy of the deed or title to the property if the applicant owns it.</p>	
<b>Limited Waiver of Sovereign Immunity §15009</b>	Applies to applicants and licensees of all licenses issued by DCC and contains the same language from prior regulations.	
<b>Compliance with the California Environmental Quality Act (CEQA) §15010</b>	<p>Provides that applicants may refer to the appropriate environmental review considerations in CEQA and its implementing guidelines.</p> <p>Provides that an applicant must provide certain information to enable DCC to determine the scope of environmental review under the CEQA Guidelines including evidence of CEQA compliance or license specific information that would enable DCC to determine the appropriate level of environmental review under CEQA.</p> <p>Allows DCC to charge the applicant for costs to prepare any supplemental environmental review, including DCC's costs for procedures to comply with CEQA unless DCC specifies otherwise.</p> <p>Repeals prior CEQA forms and provides for a new CEQA form for use by all license types.</p>	
<b>Additional Information §15011</b>	<p>Consolidates application requirements that are unique to specific license types.</p> <p>Amends provisions related to evidence of vehicle ownership for distributors, retailers, and testing laboratories.</p>	<p>Removes requirement for cultivators to provide a minimum of two hours of operation between 8:00am and 5:00pm on each day, Monday through Friday.</p> <p>Removes requirement to provide a document</p>

	<p>Limits required operating procedures to be provided upon request for manufacturers, distributors, retailers, and testing laboratories (certain SOPs). Provides they may be requested during application process or anytime thereafter.</p>	<p>evidencing approval of an extraction operation by a local fire code official at time of application.</p> <p>Limits required operating procedures to be provided upon request for manufacturers, distributors, retailers, and testing laboratories (certain SOPs). Consolidates SOPs into one form.</p>
<p><b>Incomplete and Abandoned Applications §15012</b></p>	<p>Provides that DCC will issue a notice informing the applicant when their application is incomplete and identifying the missing information.</p> <p>Provides application will be deemed abandoned if the information is not provided within 180 days of notice.</p> <p>Requires payment of license fee within 60 days or application is deemed abandoned.</p> <p>States application fees will not be refunded for abandoned applications.</p> <p>Provides applicant may reapply following an abandoned application through new application and fee.</p>	
<p><b>Withdrawal of Application §15013</b></p>	<p>Allows for withdrawal any time prior to the issuance or denial of license.</p> <p>Provides withdrawal does not prevent DCC from proceeding with a denial action.</p> <p>States application fees will not be refunded for withdrawn applications.</p>	

	Provides applicant may reapply following a withdrawn application through new application and fee.	
<b>Fees §§15014-15015</b>	<p>Makes fee for all licenses for premises modification consistent at \$500. Exempts cultivators.</p> <p>Specifies how licensing fees may be paid.</p> <p>Outlines penalty fees for failure to pay the appropriate license fee which includes balance of fee and 50% penalty.</p>	
<b>Substantially Related Offenses and Criteria for Rehabilitation §15017</b>	Incorporates Assembly Bill 2138 modifications to ensure regulations match with current statute.	
<b>Additional Grounds for Denial of a License §15018</b>	Adds that an application is subject to denial if the applicant denied DCC access to the property identified in the application as the premises.	
<b>Renewal of License §15020</b>	<p>Clarifies that if a licensee does not submit a complete renewal within 30 days after the expiration of the license forfeits their eligibility to renew the license and will be required to submit a new license application.</p> <p>Clarifies late renewal fees of 50% for all license types.</p>	
<b>Denial of License §15021</b>	<p>Adds provisions that allow individuals to send hearing requests to DCC by electronic mail.</p> <p>To be consistent with Assembly Bill 2138, the section provides that where an application is denied due to an owner's conviction history, the DCC will notify the applicant of this fact and provide information on how to</p>	

	request a copy of their conviction history and how to question the accuracy of the record.	
<b>Business Modifications §15023</b>	<p>Requires all licensees to use the DCC-LIC-027 for Notifications related to Labor Peace Agreements, ownership, A- and M- designation, business names, and financial information.</p> <p>Specifies that licenses are not transferrable or assignable to another person.</p> <p>Maintains prior ownership change rules that allow a licensee to add new owners and continue operating so long as at least one existing owner will remain under the new ownership structure. This means that when a person/entity such as a corporation is the holder of the license, new owners such as a new CEO, Director, President, etc., may be added to the license without submitting an entirely new application because the license will still be held by the same corporation. If the commercial cannabis business is being bought by a new person, such as a new corporation, a new application is required.</p>	
<b>Death, Incapacity, or Insolvency of a Licensee §15024</b>	Consolidates and makes consistent existing sections regarding the death, incapacity, or insolvency of a licensee.	
<b>Cannabis and Cannabis Products After Termination of License §15024.1</b>	<p>Allows for sale of stock of cannabis and cannabis products after termination of license.</p> <p>Provides the process for a licensed distributor or microbusiness authorized to engage in distribution</p>	

	<p>to request authorization for procuring cannabis and cannabis products.</p> <p>Specifies where the cannabis and cannabis products procured under this section may be transported to.</p>	
<p><b>Additional Premises Requirements for Retailers and Microbusinesses Engaging in Retail</b> <b>§15025</b></p>	<p>Amended to apply specifically to retailers and microbusinesses authorized to engage in retail.</p> <p>Prohibits alcoholic beverages from being stored or consumed on the premises.</p> <p>Requires that a licensed retailer or microbusiness authorized to conduct retail sales that is next to a manufacturing, cultivation, or distribution premises be separated from those premises by walls, and all doors to the other premises must remain closed. The plain meaning of walls applies here. For reference the definition of wall includes the following: one of the sides of a room or building connecting floor and ceiling or foundation and roof.</p>	
<p><b>Modification of Premises Operations</b> <b>§15027</b></p>	<p>Licensees must submit DCC-LIC-027 for modifications to premises and pay \$500 fee.</p> <p>Exception: cultivators must submit through the online system and are not required to pay a fee.</p>	<p>Amends title of section to include modification of operations.</p> <p>Streamlines modification process by specifying modifications for each license type that require prior approval by DCC and allows for notification of modifications where prior approval is unnecessary.</p>
<p><b>Significant Discrepancy in Inventory</b> <b>§15034</b></p>	<p>Section only applies to licensed retailers, licensed distributors, or licensed microbusinesses authorized to engage in retail or distribution.</p>	<p>Applies to all licensees.</p>

<p><b>Notifications of Criminal Acts, Civil Judgments, Violations of Labor Standards, and Revocation of a Local License, Permit, or Other Authorization After Licensure §15035</b></p>	<p>Consolidates and clarifies existing language regarding notifications to DCC of criminal convictions of any owner, civil penalties or judgments rendered against the licensee or any owner, administrative orders or civil judgments for violations of labor standards, or a revocation of a local license, permit or other authorization.</p>	
<p><b>Notification of Theft, Loss, and Criminal Activity §15036</b></p>	<p>Consolidates and clarifies requirements for a licensee to notify DCC and local law enforcement of the discovery of a significant discrepancy in inventory, diversion, theft, loss, or criminal activity.</p>	
<p><b>General Record Retention Requirements §15037</b></p>	<p>Defines what must be stored and maintained as a record –financial records; personnel records; training records; contracts; local authorizations; documents prepared or executed by licensee in connection with the commercial cannabis business; and those required by MAUCRSA or regulations.</p> <p>Records must be kept for at least 7 years.</p> <p>Records may be electronic or in hard-copy.</p> <p>Records must be legible, accurate and not contain intentional misrepresentation or false information.</p> <p>Records must be stored in an area protected from debris, moisture,</p>	

	contamination, hazardous waste, and theft.	
<b>Disaster Relief §15038</b>	Specifies the information that licensees must provide to DCC when requesting relief pursuant to this section.	
<b>License Posting Requirement §15039</b>		Section extended to all Department licensees.
<b>Posting and Advertising §§15040-15041.7</b>	<p>Provides guidelines regarding how licensees may ensure their advertising and marketing is tailored to appropriate audiences and not children (i.e., ensuring advertising is not “attractive to children”).</p> <p>Removes approval process for branded merchandise only applicable to former Bureau of Cannabis Control licensees.</p> <p>Specifies licensees shall not advertise free cannabis goods or accessories. Note - BPC §26153 prohibits a licensee from giving away any amount of cannabis or cannabis products, or any cannabis accessories, as part of a business promotion or other commercial activity. Trade samples are not considered a business promotion or other commercial activity.</p> <p>Provides additional clarification regarding branded merchandise license number requirements – license number must be permanently affixed to branded merchandise, be legible, and clearly visible from outside of merchandise beginning January 1, 2022.</p>	Adds Prohibited Business Promotions §15040.2 to clarify licensees shall not give away any amount of cannabis or cannabis products, or any cannabis accessory, as part of a business promotion and specifying licensees may not hold raffles or sweepstakes as part of a business promotion.

	<p>Specifies that advertising and marketing, including branded merchandise must not be attractive to children.</p> <p>Removes prohibition against giving away any type of products; limit on promotions applies to cannabis, cannabis goods, and cannabis accessories.</p>	
<p><b>Trade Samples</b></p> <p><b>§§15041.2-15041.7</b></p>	<p>Defines what constitutes a trade sample and provides general provisions related to trade samples.</p> <p>Provides once designated as trade samples the designation cannot be changed.</p> <p>Provides that distributor-transport only, testing laboratories, and cannabis event organizers may not provide or receive trade samples. Retailers may receive but not provide trade samples.</p> <p>Provides the rules regarding the consumption of cannabis goods that have been designated as trade samples, including that they must be tested, packages as required by MAUCRSA, and have the required trade sample language on the package.</p> <p>Provides the quantity limits for designating and providing trade samples.</p> <p>Clarifies which type of cannabis goods cannot be used as trade samples.</p>	<p>Amends to clarify requirements for providing trade samples to a licensee’s employees.</p> <p>Amends to allow immature plants, seeds, and propagated material to be provided as trade samples by nurseries.</p>

**Premises Access Requirements §15042**

Applies to all DCC licensees including cultivators and manufacturers.

Requires for all premises not open to the public that the licensee establish and implement an identification and sign-in/sign-out procedure for all persons accessing the premises, including authorized individuals, suppliers, and visitors. Note - only licensed retailers and microbusinesses authorized to engage in onsite retail sales are open to the public.

Licensees must ensure that only employees of the licensee and other authorized individuals access the limited-access area of the premises. Note - limited-access area is defined in section 15000(II) and means an area in which cannabis or cannabis products are stored or held and is only accessible to a licensee and authorized persons.

Provides that individuals who are not employees, must be escorted by an employee of the licensee at all times while within the limited-access area.

Licensees must maintain a record of all authorized-individuals who are not employees of the licensee who enter the limited-access areas. The record must include the name of the individual, the company the individual works for, the reason the individual entered the limited-access area, the date, and the time the individual entered and exited. These records

	<p>must be made available to DCC immediately upon request.</p> <p>Prohibits a licensee from receiving consideration or compensation for permitting an individual to enter the limited-access areas.</p>	
<b>Security Plan for Licensed Manufacturers §15042.1</b>	Requires licensed manufacturer to develop and implement a written security plan.	
<b>Licensee Employee Badge Requirement §15043</b>	Requires all employees, agents, officers, or other persons acting for a licensee, who is participating in a temporary cannabis event to display a laminated or plastic-coated identification badge issued by the licensee at all times while engaging in commercial cannabis activity.	
<b>Video Surveillance System §15044</b>	<p>Does not apply to a premises authorized exclusively for cultivation activities or the cultivation area of a licensed microbusiness premises.</p> <p>Does not apply to licensed distributor-transport only licensees engaged in self-distribution whose premises is on the same parcel of land as their licensed cultivation premises.</p> <p>If multiple licensed premises are within the same building, a single video surveillance system covering the entire building may be used by all of the licensees if all licensees have immediate access to the surveillance recordings. If sharing, all licensees will be held responsible and subject to discipline for any violations of the video surveillance requirements.</p>	

<p><b>Security Personnel §15045</b></p>	<p>Licensed retailers and microbusinesses authorized to engage in retail sales who are open to the public must hire or contract for security personnel who are at least 21 years of age to provide onsite security services for the licensed premises during hours of operation.</p>	
<p><b>Locks §15046</b></p>	<p>Applies to all licensed premises except a licensed premises authorized exclusively for cultivation activities or the cultivation area of a licensed microbusiness.</p> <p>Requires all limited-access areas and points of entry and exit to the licensed premises to be securely locked using commercial-grade, nonresidential door locks.</p>	
<p><b>Alarm System §15047</b></p>	<p>Applies to all licensed premises except a licensed premises authorized exclusively for cultivation activities or the cultivation area of a licensed microbusiness.</p> <p>Licensees must maintain an alarm system that meets the specific requirements of this section.</p> <p>If multiple licensed premises are within the same building, a single alarm system covering the entire building may be used by all of the licensees if all licensees are able to make available to DCC all information related to the alarm system, monitoring, and alarm activity. If sharing, all licensees will be held responsible and subject to discipline for any violations of the alarm system requirements.</p>	

<p><b>Track and Trace</b> <b>§§15047.1-15052</b></p>	<p>For clarity, includes definitions for “plant tag”, “package tag” and “wholesale cost”.</p> <p>Removes temporary license section, which is no longer necessary.</p> <p>Repealed prohibition on returns. Licensees may return cannabis and cannabis products in accordance with the provisions of MAUCRSA and the regulations.</p>	<p>Allows for batch harvesting and recording the wet weight of each harvest batch rather than each individual plant.</p> <p>Clarifies that tags may not be reused and how they are to be discarded.</p> <p>Adds §15052 clarifying requirements for returns.</p> <p>Allows returns between licensees for any lawful business purpose.</p> <p>Requires returned products to undergo a new round of testing and quality assurance prior to being transported to a retailer.</p>
<p><b>Storage Services §15301</b></p>		<p>Amends to allow cannabis goods held for storage-only to be distributed from the premises of the distributor providing storage-only services.</p>
<p><b>Packaging, Labeling, and Rolling §15303</b></p>	<p>Eliminates packaging and labeling requirements as the packaging and labeling requirements for all licensees have been consolidated and placed in Chapter 11.</p>	
<p><b>Regulatory Compliance Testing Results §15306</b></p>		<p>Amends to clarify requirements related to batches that fail regulatory compliance testing and remediation of those batches.</p> <p>Removes requirement for a printed copy of the certificate of analysis to accompany the batch and allows for it to be provided electronically.</p>

<p><b>Quality-Assurance Review §15307</b></p>		<p>Amends to clarify requirements related to cannabis goods that are found to be not fit for sale during quality-assurance review.</p>
<p><b>Requirements for the Transportation of Cannabis and Cannabis Products §15011</b></p>		<p>Amended to clarify the licensee is not required to be the sole owner or lessor of the vehicle or trailer and all owners and lessors may use the vehicle for non-commercial cannabis activity.</p> <p>Clarifies motor carrier permit must be issued to the licensed distributor.</p> <p>Amends and makes less burdensome requirements for enclosing cannabis and cannabis products during transport. Requires a secured area that may be comprised on three sides of any part of the body of the vehicle.</p>
<p><b>Required Transport Vehicle Information §15312</b></p>	<p>Specifies that upon request, licensees must provide DCC with information, such as year, make, and model, about each vehicle and trailer used to transport cannabis and cannabis products.</p>	
<p><b>Shipping Manifest §15314</b></p>	<p>Eliminates language regarding temporary licensees who do not have access to the track and trace system, as the language is no longer necessary.</p>	
<p><b>Customer Access to the Retail Area §15402</b></p>		<p>Adds curbside delivery as allowable activity for storefront retailers.</p>

<p><b>Sale of Non-Cannabis Goods §15407</b></p>	<p>Allows retailers to sell the branded merchandise of any licensed commercial cannabis business.</p>	<p>Amends to allow retailers operating a consumption area to sell prepackaged non-cannabis infused and non-alcoholic food and beverages if allowed by the local jurisdiction.</p> <p>Clarifies consumers may bring or receive non-cannabis infused and non-alcoholic food and beverages for consumption in a designated consumption area</p>
<p><b>Sale of Live Plants and Seeds §15408</b></p>	<p>Clarifies and makes consistent requirements related to the sale of immature plants (i.e., immature plants sold at retail must be shorter and narrower than 18 inches).</p> <p>Eliminates packaging and labeling requirements as the packaging and labeling requirements for all licensees have been consolidated and placed in Chapter 11.</p>	
<p><b>Requirements for Providing Free Cannabis Goods to Medicinal Consumers §15411</b></p>		<p>Adds requirements for providing free cannabis goods to medicinal consumers.</p> <p>Specifies verification and record keeping requirements.</p>
<p><b>Delivery Vehicle Requirements §15417</b></p>		<p>Amends and makes less burdensome requirements for enclosing cannabis goods during delivery. Requires a secured area that may be comprised on three sides of any part of the body of the vehicle.</p>
