**ASSEMBLY COMMITTEE ON BUSINESS, PROFESSIONS AND  
CONSUMER PROTECTION  
HONORABLE MARY HAYASHI, CHAIR  
HONORABLE BILL BERRYHILL, VICE CHAIR**

The jurisdiction of the Assembly Business, Professions and Consumer Protection Committee includes: scope of practice; licensing and enforcement issues for all boards and bureaus at the Department of Consumer Affairs (medical and non-medical); state government organization and reorganization; creation and elimination (sunsetting) of regulatory agencies, boards and commissions; governmental efficiency and cost control; consumer protection; the Department of General Services; state procurement and public contracts; state and local government property acquisition law; the Administrative Procedure Act and Office of Administrative Law; charitable solicitations; product labeling; and, weights and measures, including accuracy of product pricing.

A total of 329 bills were referred to the Assembly Business, Professions and Consumer Protection Committee during the 2011-2012 session of the California State Legislature. A substantial portion of these bills related to the Committee's primary jurisdiction – consumer protection.

The protection of consumers involves diverse subjects ranging from information privacy to the oversight of dozens of businesses and professions throughout California, including: accountancy; acupuncture; arbitration certification; architects; automotive repair; barbering and cosmetology; behavioral sciences; contractors; court reporters; dentists and dental auxiliaries; dispensing opticians; electronic and appliance repair; funeral, cemetery, and crematory establishments; geologists and geophysicists; guide dogs for the blind; hearing aid dispensers; home furnishings and thermal insulation; land surveyors; landscape architects; midwives; nurse assistants; optometrists; pharmacists; physical therapists; physicians and surgeons; physician assistants; podiatrists; private postsecondary and vocational education; professional engineers; professional fiduciaries; psychiatric technicians; psychologists; registered nurses; respiratory care; security and investigative services; speech-language pathology and audiology; structural pest control; telephone medical advice; veterinarians and veterinary technicians; and, vocational nurses.

The second major subject area within the jurisdiction of the Assembly Business, Professions and Consumer Protection Committee is public contracting and the business practices of the state, which involves billions of dollars. Examples of relevant legislation considered by the Committee include authorizing government entities to use private sector investment capital to develop fee-producing infrastructure facilities; resolving disputes between local governments and school districts and their contractors; establishing "best value" contracting procedures as a cost savings alternative to traditional low-bid methods; selling "surplus" state-owned property worth hundreds of millions of dollars; setting fuel-efficiency and

air pollution emission standards for state-owned vehicles; purchasing and deploying information technology systems; using the "design-build" approach to contracting as a cost-saving alternative to traditional contracting methods; and, constructing and retrofitting public and private buildings, including seismic safety, energy efficiency, and "green building" standards.

**20 SELECTED ASSEMBLY AND SENATE BILLS REFERRED TO THE  
ASSEMBLY BUSINESS, PROFESSIONS AND CONSUMER PROTECTION  
COMMITTEE DURING THE 2011-2012 LEGISLATIVE SESSION**

Following are summaries of 20 selected Assembly and Senate bills referred to the Assembly Business, Professions and Consumer Protection Committee during the 2011-2012 legislative session.
